

GETTING THE JOB DONE...

We work with businesses that are looking for a proven alternative to business loans. Specifically, we help our clients:

Minimize time-to-cash.

We provide you with cash advances within 24 hours of billing.

- ▶ Helping you avoid the problems of slow paying customers.

Reduce overhead cost.

We handle your billing, collecting and customer credit analysis.

- ▶ Freeing up your staff for more profitable sales and marketing functions.

Increase their capital availability.

More than anything, we expand your sales and marketing fund pool.

- ▶ Funding is sales-based and grows as your sales grow.

... And we can help 'Get the Job Done' for your business as well.

We merge experience, ingenuity, common sense, and get results that help your business grow. Call it a perfect chemistry of knowing *how*, knowing *who*, and knowing *no limit thinking*: we not only think 'outside the box' for businesses, we make our living there.
