

Why NORTHFUNDING?

SINCE 1998 our nationwide program was built with one purpose in mind – to help companies build and maintain cash reserves.

Increasing Your Cash Reserves

NORTHFUNDING specializes in helping companies control their payroll, vendor and growth needs without increasing service costs.

Companies without sufficient cash reserves often times must turn away additional business, and therefore, additional profits.

How can you increase your cash reserves?

Accelerating Your Revenue - Flow The Debt - Free Alternative

Our Accelerated Revenue-Flow program allows you the opportunity to immediately convert your earned sales into operating cash!

Month-to-Month Arrangements • No Minimums – No Maximums • No More Collection Expenses

Get the Cash you need Today!
